PROFESSIONAL SUMMARY

Sales and business development professional with experience across SaaS inbound, and outbound, real estate capital advisory, and investor outreach across West African and U.S. markets. Creates structured pipelines from scratch. Qualifies leads, manages fragmented stakeholder conversations, and maintains progress across complex deal cycles. Trained in linguistic analysis and discourse, bringing an unusually analytical approach to discovery conversations, stakeholder mapping, and pitch communication. Comfortable operating in remote, high-accountability environments where adaptability, communication clarity, and self-direction matter as much as sales execution.

CORE SKILLS

Revenue & Pipeline Development

Outbound prospecting | Lead qualification (BANT/ CGP TCI BA) | Pipeline building | Investor & LP/GP engagement | CRM pipeline visibility

Stakeholder & Deal Coordination

Discovery conversations | Multi-stakeholder follow-ups | Async communication workflows | Deal-cycle coordination | Account-based outreach

Research, Messaging & Support

Market research | Stakeholder mapping | Pitch communication support | Reporting coordination | Outreach personalization

PROFESSIONAL EXPERIENCE

Sales & Business Development Associate | Manou Estates LLC · Contractor · Remote Dec 2025 – Apr 2026

Real estate advisory firm specializing in investment fundraising and capital placement (Santa Monica, USA).

- Built and managed 50+ targeted outreach pipelines across GPs, LPs, and family offices, navigating cold-introduction friction common in early fundraising conversations and investor sourcing environments.
- Qualified 80% prospective investors against active mandates using structured criteria, assessing strategic alignment, sector relevance, and engagement potential before advancing conversations internally.
- Managed 30+ fragmented stakeholder communication across founders, project sponsors, and investor contacts while tracking follow-up sequences, engagement status, and mandate movement across concurrent live discussions.
- Operated within a remote-first workflow environment where timelines, responsiveness, and deal momentum often shifted across active conversations and outreach cycles.

Business Development Representative | Presto Solutions · Contract · Remote Sept 2025 – Jan 2026

- In breaking into a new market of hostel management, I executed 50+ outbound prospecting through walk-ins, cold calls, and cold email outreach to build qualified pipeline activity from scratch using structured cadences and KPI targets and landed 2 major clients.

- As part of my daily activities I researched prospect ecosystems and stakeholder profiles to identify commercially relevant leads, partnership opportunities, and outreach angles aligned with target ICPs.
- Maintained CRM workflow visibility using HubSpot and Apollo.io which showed through supporting reporting accuracy, outreach tracking, and pipeline coordination across active prospecting cycles.
- Worked within a short-term, high-accountability remote contract environment that required self-direction, rapid adaptation, and consistent outreach execution with minimal supervision.

Sales Representative | Hamza Enterprise

Feb 2020 – Jul 2020

- Expanded the active customer base by 20% through direct engagement and relationship-driven sales of prepaid electricity credits within a fast-moving retail environment.
- Built repeat customer relationships through consistent follow-up communication and trust-based interactions across daily sales activity.
- Maintained accurate sales records and transaction tracking while operating in a customer-facing environment requiring responsiveness and accountability.

Sales Associate | Edith Retail Shop

Oct 2019 – Jan 2020

- From a fundamentally dormant shop at my hire I contributed to a 40% increase in-store sales performance through customer-focused upselling, adaptive communication, and product guidance during high-contact retail interactions.
- Managed front-line customer communication. I supported product selection decisions across varying customer preferences and purchasing behaviors.

EDUCATION

B.A. English

Kwame Nkrumah University of Science & Technology (KNUST)

2021 – 2025

CERTIFICATIONS & TRAINING

- Inbound Sales Certification - HubSpot Academy (2025)

Productivity: Google Workspace · Trello · Slack · Zoom

Languages: English (native proficiency) · Twi (fluent)

NOTABLE PROJECTS & VENTURES

Co-Founder of Prymelink / EazyRent (PropTech, Ghana)

Co-founded a Ghana-based PropTech initiative focused on improving tenant–landlord discovery and rental access; led early-stage go-to-market outreach, partnership conversations, and platform visibility efforts within a fragmented rental market environment.
